**GS-35F-4797H, TASK ORDER
EPG11D00056
Modification # 4**

MODIFICATION TO THE CONTRACT

1. The clause entitled “INCREMENTAL FUNDING” has been modified. The text is as follows:

This contract is incrementally funded. Modification #3 to this order is adding funds in the amount of \$3,500,000.00 increasing the amount for Option period I from \$1,200,000.00 to \$4,700,000.00. The amount presently available for payment and allotted to the contract is \$4,700,000.00 for Option Period I and will cover performance through September 1, 2012.

2. The clause entitled “Limitation of Government’s Obligation” has been modified. The text is as follows:

(a) This task order is incrementally funded. For this item, the sum of \$4,700,000.00 of the total price is presently available for payment and allotted to this contract for Option Period I.

(b) For items identified in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those items for the Government’s convenience, approximates the total amount currently allotted to the contract. The Contractor will not be obligated to continue work on those items beyond that point. Subject to the clause entitled, “Termination for Convenience of the Government”, the Government will not be obligated in any event to reimburse the Contractor in excess of the amount payable by the Government in the event of termination of applicable contract line items for convenience includes costs, profit, and estimated termination costs for those line items.

(c) Notwithstanding the dates specified in the allotment schedule in paragraph (i) of this clause, the Contractor will notify the Contracting Officer, in writing, at least 5 days prior to the date when, in the Contractor’s best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 85% of the total amount then allotted to the contract for performance of the applicable items. The notification will state (1) the estimated date when that point will be reached and (2) an estimate of additional funding, if any, needed to continue performance of applicable line items up to the next scheduled date for allotment of funds identified in paragraph (i) of this clause, or to a substitute date as determined by the Government pursuant to subparagraph (d) of this clause. If after such notification, additional funds are not allotted by the date identified in the Contractor’s notification, or by an agreed substitute date, the Contracting Officer will terminate any item(s) for which additional funds have not been allotted, pursuant to the clause entitled “Termination for Convenience of the Government.”

(d) The parties contemplate that the Government will allot additional funds for continued performance of the contract line items identified in paragraph (a) for this clause and will determine the estimated period of contract performance which will be covered by the funds. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and to the new estimated period of contract performance. The contract will be modified accordingly.

(e) If, solely by reason of failure of the Government to allot additional funds, by the dates indicated below, in amounts sufficient for timely performance of the contract line items identified in paragraph (a) of this clause, the Contractor incurs additional costs or is delayed in the performance of the work under this contract and if additional funds are allotted, an equitable adjustment will be made in the price of the items, or in the time of delivery, or both. Failure to agree to any such equitable adjustment hereunder will be a dispute concerning a question of fact within the meaning of the clause entitled "Disputes."

(f) The Government may at any time prior to termination allot additional funds for the performance of the contract line items identified in paragraph (a) of this clause.

(g) The termination provisions of this clause do not limit the rights of the Government under the clause entitled "Default". The provisions of this clause are limited to the work and allotment of funds for the contract line items set forth in paragraph (a) of this clause. This clause no longer applies once the contract is fully funded except with the regard to the rights or obligations of the parties concerning equitable adjustments negotiated under paragraph (d) or (e) of this clause.

(h) Nothing in this clause affects the right of the Government to terminate this contract pursuant to the contract clause entitled "Termination for Convenience of the Government".

(i) The parties contemplate that the Government will allot funds to this contract incrementally as follows:

Performance Period	Modification	Cost Ceilings NTE
Base Period	0	\$3,315,270.15

Base Period Total: \$3,315,270.15

Remaining Balance for Base Period: \$0

Option Period I	2	\$1,200,000.00
Option Period I	3	\$3,500,000.00

Option Period I Total: \$4,700,000.00

Remaining Balance for Option Period I is \$1,252,768.39

The amount presently available for payment and allotted to the contract is \$4,700,000.00 for Option Period I and will cover performance through September 1, 2011.
